

WRITTEN COMMENT CARD - PORTLAND HARBOR SUPERFUND SITE

TO: EPA Region 10, Portland City Council, and congressional representatives

4533

D
9

Comments: (use back for additional comments)

rather than retain the topins capped in a site along the river to be monitored in perpetuity? Would it not be more reasonable to remove the topins permanently initially and not have to deal with it over and over again in futures? Do it right the first time!
